ENVIRONMENT, RESOURCES, AND SUSTAINABILITY: POLICY ISSUES WITH THE 21ST CENTURY.

Athens, Georgia. February 15–16, 2002. This Anthropology Policy Conference is being convened to identify and prioritize policy issues about which anthropology has something to offer in the realm of environment, resources and Sustainability. Issues of interest include environmental justice, genetically modified organisms, intellectual property rights, industrial agriculture and the environment, fisheries resources, conservation, consumption and globalization, corporatization and consolidation of food systems, and energy. The conference is limited to 100 participants. Contact: Kendall Thu; *phone* (815) 753-0479; *email* Kthu@niu.edu.

FIFTH NATIONAL AUSTRALIAN FOREST HISTORY CONFERENCE

Hobart, Tasmania. February 18–20, 2002. Australian Forest History Society. Contact: Dr John Dargavel, Department of Forestry and Centre for Resource and Environmental Studies Department of Forestry (Bldg 048), The Australian National University, Canberra, ACT 0200; *phone* +61 2 6249 3565; *fax* +61 2 6249 3565; *email* John.Dargavel@anu.edu.au.

AMERICAN SOCIETY FOR ENVIRONMENTAL HISTORY ANNUAL MEETING

Denver, Colorado. March 20–23, 2002. Theme: Producing and Consuming Natures. The conference seeks to explore the various ways humans have historically drawn nature into their lives—through working and imagining, devouring and debating, transforming and transporting it. Papers will explore the human history of nature as symbol as well as substance, in popular culture and consumption as well as production and extraction. Contact: Christopher Sellers, Dept. of History, SUNY at Stony Brook, Stony Brook, NY 11794; *phone* (631) 632-7514; *email* csellers@notes.cc.sunysb.edu; *URL* www2.h-net.msu.edu/~environ.

INDUSTRIALIZING ORGANISMS: PLANTS, ANIMALS AND TECHNOLOGY

New Brunswick, NJ. April 4–6, 2002. Sponsored by the Rutgers Center for Historical Analysis project—Industrial Environments: Creativity and Consequences. Conference to focus on when, where, and how have industrializing humans sought to “improve” plants and animals in order to better integrate them into technological systems and what were the challenges and consequences of such modifications. Contact: Philip Scranton and Susan Schrepfer, Co-directors, Rutgers Center for Historical Analysis, 88 College Avenue, New Brunswick, NJ 08901; *phone* (215) 843-0440; *email* scranton@crab.rutgers.edu.

CERTIFIED FOREST PRODUCTS INTERNATIONAL CONFERENCE AND SHOWCASE

Atlanta, Georgia. April 25–27, 2002. Hosted by the Certified Forest Products Council. Contact: *phone* (503) 799-1839; *email* conferencequestions@certifiedwood.org; *URL* www.cfpconference2001.org/.

THIRD NATIONAL NATURAL RESOURCE EXTENSION PROFESSIONALS CONFERENCE

Naples, FL, USA. June 2–5, 2002. Theme: Revolutionizing or Evolutionizing Extension Programming. Contact: Mandy Padgett, University of Florida/IFAS, Gainesville, FL 32611; *phone* (352) 392-5930; *fax* (352) 392-9734; *email* mrpadgett@mail.ifas.ufl.edu.
