Historical Note

The American Hoise & Derrick Company, based in St. Paul, Minnesota, became a top manufacturer of hoisting and lifting equipment. Begun as The American Manufacturing Company, the company changed its name to American Hoist and Derrick Company in 1892. American Hoist & Derrick began in 1885. In 1905, the company became international with the construction of Yokohama Warehouse in Japan. American Hoist & Derrick equipment was used in major construction projects, such as the Panama Canal and Mount Rushmore.

By 1988, the company's name had changed to Amdura.

Collection Overview

The collection includes a photocopy of an advertising brochure for American Hoist and Derrick Company and 4 photographic prints of equipment illustrated in the brochure. The brochure was printed in 1904 and contains 58 pages of text and pictures.
